**Subject: Commitment to purchase a share of the AI Compute access time
from the selected AIGF**

Dear Sir/madam

We refer to Regulation (EU) 2021/1173 establishing the European High-Performance Computing Joint Undertaking (hereinafter “Joint Undertaking” or “EuroHPC JU”) as last amended on 20th January 2026¹ and in particular recital 13 and Article 12b (4) thereof, as well as to Articles 1 (4) and 18 of the above-mentioned Joint Procurement Agreement.

On this basis, Denmark hereby commits for Phase I up to EUR 100 million over the course of 5 years, pending the adoption of the annual bill for the year 2027, to purchase its share of AI compute access time to the highest ranked AIGF Consortium in Lot 1 selected for funding/ awarded the Framework Contract in the territory of Denmark.

In addition, Denmark commits for Phase I up to EUR 10 million over the course of 5 years, pending the adoption of the annual bill for the year 2027, to purchase its share of AI compute access time from the highest ranked AIGF Consortium selected for funding / awarded the Framework Contract in the territory of Finland in the Lot ultimately determined by Finland, following the outcome of the selection and award process to be performed by the EuroHPC JU in accordance with the Regulation and the Joint Procurement Agreement.

Furthermore, Denmark hereby commits for Phase I up to EUR 20 million over the course of 5 years, pending the adoption of the annual bill for the year 2027, to purchase its share of AI compute access time from the highest ranked AIGF Consortium selected for funding / awarded the Framework Contract in the territory of Finland in the Lot ultimately determined by Finland, following the outcome of the selection and award process to be performed by the EuroHPC JU in accordance with the Regulation and the Joint Procurement Agreement. Such commitment is conditional upon the relevant AIGF multi-country consortium including a physical constituent site located in the territory of Denmark, from which Denmark’s AI compute access time will be directly acquired.
