Having regard to the Governing Board Decision 06/2024 on the extension of the mandate of the Executive Director of the EuroHPC Joint Undertaking;

Whereas:

The Governing Board adopted on 28 February 2024 the Decision 06/2024, extending the term of office of Mr. Anders Dam Jensen, as the Executive Director of the EuroHPC Joint Undertaking, until 15 September 2028.

The Decision to extend the term of office of the Executive Director was taken based on a positive assessment of the performance of Mr. Anders Dam Jensen covering his first mandate. This assessment was jointly carried out by the Vice-Chair of the Governing Board (European Commission) and representatives of the Participating States.

Reclassification of the Executive Director is subject to the availability of posts in the Establishment Plan of the EuroHPC JU. Due to his continuous positive appraisals since his appointment in 2020, the European Commission proposed in its draft budget proposal for 2025 establishment plan for the EuroHPC Joint Undertaking to include an AD15 grade to allow the reclassification of the Executive Director. As a result, the 2025 Work Programme of the EuroHPC Joint Undertaking foresees such AD15 post in the current Establishment Plan.

HAS DECIDED AS FOLLOWS:

Article 1

To reclassify Mr. Anders Dam Jensen to AD15 grade, step 1. and thus, take up the post at AD15 grade as set out in the 2025 Establishment Plan of the EuroHPC Joint Undertaking.

Article 2

This decision shall apply as from 16 September 2025 (5 years since the initial engagement of Anders Dam Jensen as Executive Director of the EuroHPC Joint Undertaking).
