Subject: Commitment to purchase a share of the AI Compute access time from the selected AIGF

Dear Sir/Madam

We refer to Regulation (EU) 2021/1173 establishing the European High-Performance Computing Joint Undertaking (hereinafter “Joint Undertaking” or “EuroHPC JU”) as last amended on 20th January 2026¹¹ and in particular recital 13 and Article 12b (4) thereof, as well as to Articles 1 (4) and 18 of the above-mentioned Joint Procurement Agreement.

On this basis, Sweden hereby commits for Phase I up to EUR 50 million¹², to purchase its share of AI compute access time to the highest ranked AIGF Consortium selected for funding/awarded the Framework Contract in the territory of Finland in the lot ultimately determined by Finland, following the outcome of the selection and award process to be performed by the EuroHPC JU in accordance with the Regulation and the Joint Procurement Agreement. Such commitment is conditional upon the relevant AIGF multi-country consortium including a physical constituent site located in the territory of Sweden, from which Sweden’s AI compute access time will be directly acquired.

¹¹ Council Regulation (EU) 2026/150 of 16 January 2026 amending Regulation (EU) 2021/1173 on establishing the European High Performance Computing Joint Undertaking, OJ L, 2026/150, 19.1.2026, ELI: <http://data.europa.eu/eli/reg/2026/150/oj>

¹² The Member State shall inform the EuroHPC JU in writing of the commitment promptly after the adoption of the national budget 2026 in accordance with Article 35 of this Agreement.

In any case, the final decision depends on the national financing decision. This commitment is conditional and subject to the adoption and completion of the relevant national budgetary procedures in Sweden. Sweden will confirm this commitment and the amount separately and in writing at the latest 6 weeks prior to the end of the time-period for the submission of tenders. This commitment only becomes definitive by this separate written confirmation.

This commitment, if it has been made definitive, shall take effect upon the selection of an AIGF consortium and award of a Framework Contract to it by the EuroHPC JU and shall then be implemented in accordance with relevant contractual arrangements, including the Joint Procurement Agreement, the Framework Contract and related Specific Contracts, and any Administrative Arrangement signed with the EuroHPC JU for that purpose.

Yours faithfully,

Skatteverket (Swedish Tax Agency)

Peder Sjölander, deputy Director General
