# The **EuroHPC Joint Undertaking** | Application of colour version (positive)

The EuroHPC Joint Undertaking logo can be applied on every colour, as long as it is still distinguishable.

Examples of use on coloured backgrounds:

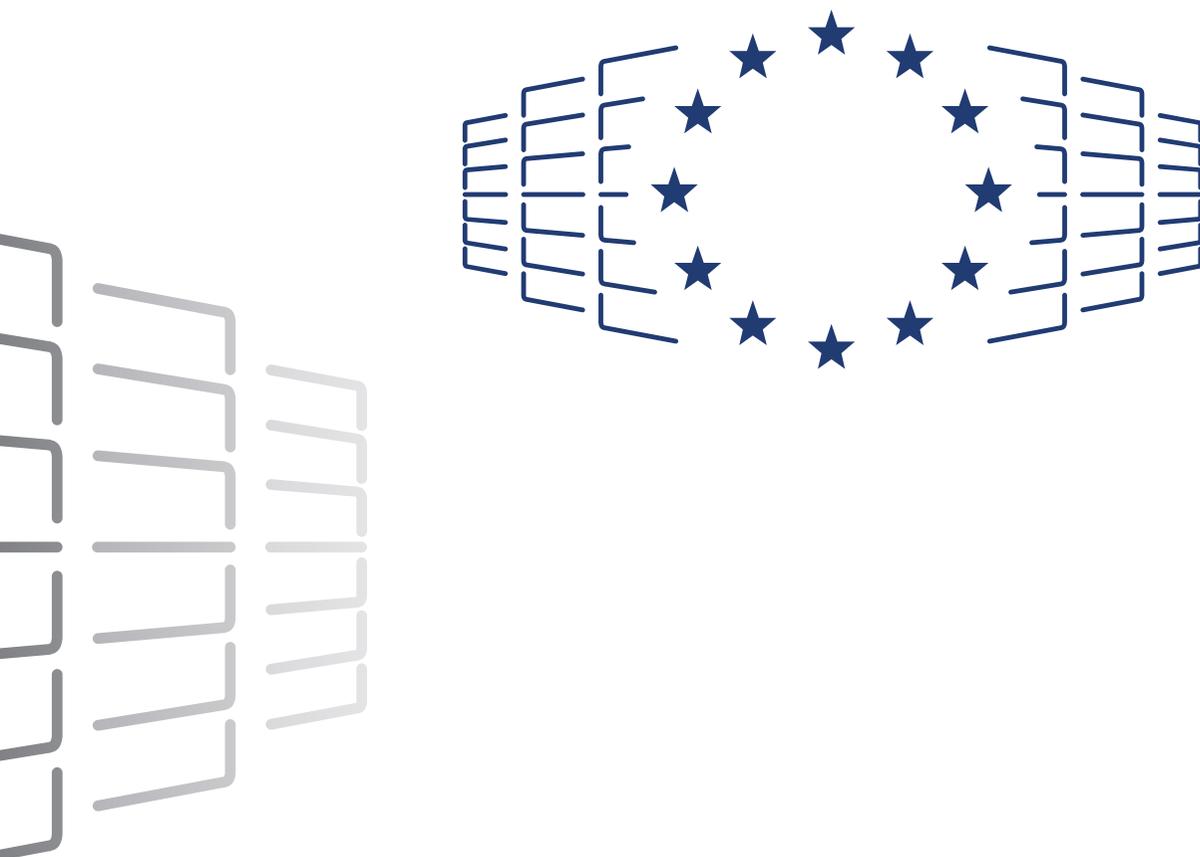

## The **EuroHPC Joint Undertaking** | Monochrome version (negative)

Whenever the EuroHPC Joint Undertaking logo doesn't stand out from the background, the negative version is to be used. It can also be chosen for aesthetical reasons to avoid a negative contrast.

## The **EuroHPC Joint Undertaking** | Monotone Pantone version (positive)

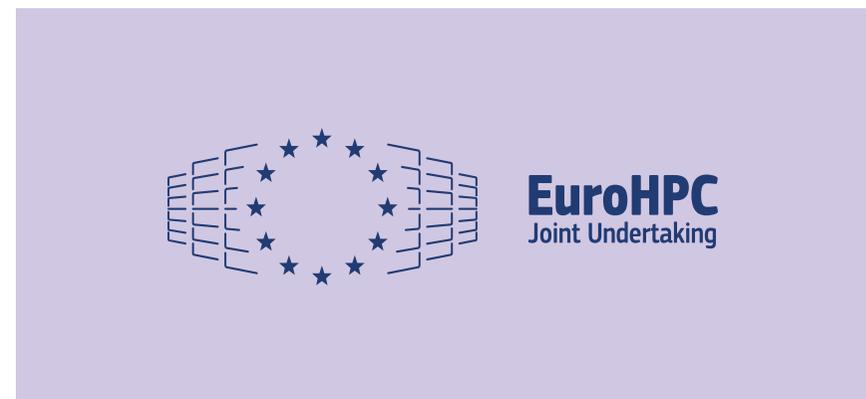

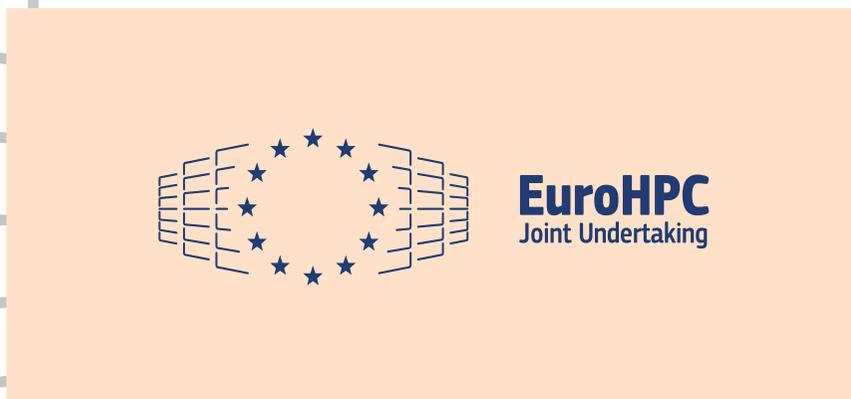

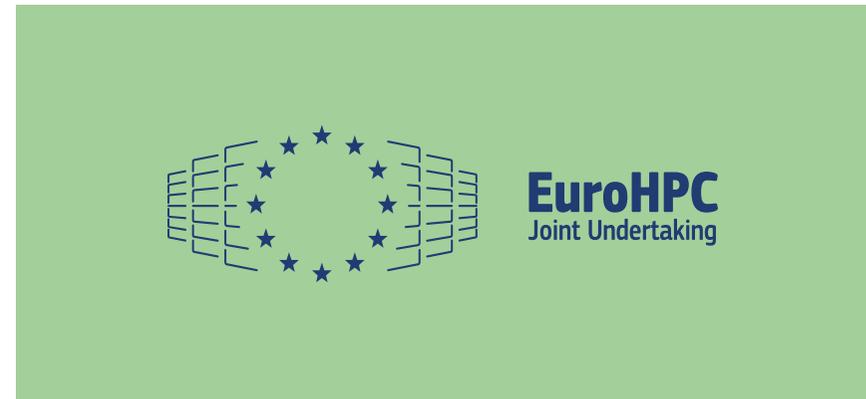

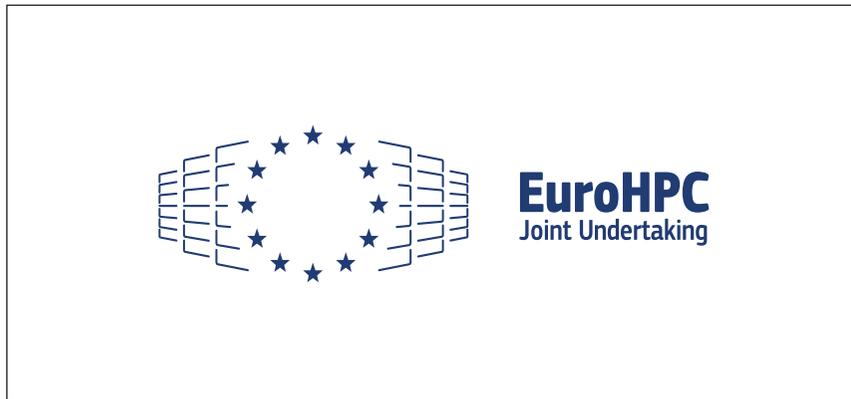

The monotone Pantone version is to be used if the printing process does not allow the application of the original process colours.  
The Pantone value of the monochrome Pantone version is the **Pantone Reflex Blue**.
